

## 3m8802 Cold Joint

### Overview

**High-Quality Fiber Optic Connector:** The 3M NCFG 8802-TLC/3 tool-free optical fiber cold joint is a high-quality fiber optic fast connector designed for use in FTTH, FTTB, and FTTH network applications, ensuring reliable and efficient data transmission.

**Single-Mode Fiber Compatibility:** This. The No Polish Connector (NPC) enable fast, on-site installation of kink proof, 1.6 to 3 mm cable with bend insensitive, single mode fiber. The new 3m 8802-tlc/3 pre-embedded fiber optic quick connector cold splice is gaining significant traction in the network maintenance and fiber communication fields due to its efficient and convenient installation process, coupled with its exceptional performance stability. This article will delve. Below you will find brief information for the 3M TLC 8802 Fiber Optic Connector. Soluciones Innovadoras Your Broadband. 3M 8802-TLC/3 TOOL-LESS CONN SC UPC SM 3.0mm are available!

**Company Introduction:** Holight, established in 2004, is a leading professional fiber optic patchcord manufacturer and exporter from China.
