

Carbon steel network cabinet manufacturer direct sales

Overview

Find your carbon steel cabinet easily amongst the 6 products from the leading brands (BUTTI, MPGAMMA, Soltec, . . .) on DirectIndustry, the industry specialist for your professional purchases. Rittal is a German manufacturer of electrical enclosures and related products that was established in Herborn, Hesse in 1961 as part of the Friedhelm Loh Group. The company primarily produces standard and modular enclosures for various electronic and electrical components, such as servers. The market for steel network cabinets is evolving rapidly, driven by global digital infrastructure demands. Built with premium steel construction and adjustable mounting rails, it features superior cable management solutions and optimized ventilation design. Available in various heights (42U-52U). As a premier server rack cabinet manufacturer with over 20 years of expertise, OTRANS — a leading Network Cabinet Company — engineers robust and scalable enclosure solutions. With 30 years of focus on delivering comprehensive IT data.
