

Category 6a fiber optic cable faceplate

Overview

A single faceplate pre-assembled with Cat6a pass-through shielded clip in euro modules (50 x 25mm). The Cat6a modules are toolless type and colour coded making installation of cables easier. When teamed with complementary Panduit products, the NetKey Solutions cover all your needs from the telecommunication. CommScope offers a robust family of Category 6A (Cat 6A) structured cabling solutions which are engineered to address the evolving needs of modern enterprise networks. Cat 6A cabling provides enhanced performance, enabling networks to support 10 Gigabit Ethernet (10 GbE) channels up to 100 meters. These boxes contain one, two or twelve rosettes of RJ-45 (TIA-568A/B) depending on model. Surface boxes are nailed to the wall, desk, or anywhere else without complications and no works or need a box recessed into the wall, with protruding about 15mm. Cat6a UTP (Unshielded), FTP & STP (Shielded) keystone jacks, couplers and plugs. Available from stock for next day delivery. The Cat6a punchdown junction box is the easy way to join Category 6A 4 pair networking cables.
