

Im155-6pnst interface module

Overview

SIMATIC ET 200SP, PROFINET interface module IM 155-6 PN ST, max. 32 I/O modules, and 16 ET 200AL modules, multi hot swap, optional PN strain relief, PN security class 1 incl. server module (6ES7193-6PA00-0AA0) This manual contains notices you have to observe in order to ensure your personal safety, as well as to prevent damage to property. The notices referring to your personal safety are highlighted in the manual by a safety alert symbol, notices referring only to property damage have no safety alert. View of the module Figure 2-1 View of the IM 155-6 PN ST interface module and the server module Properties The module has the following technical properties: ● Connects the ET 200SP distributed I/O system with PROFINET IO ●. Page 11 Group diagnostics: Missing supply voltage L+.
