

New 4U Relay Protection Switch

Overview

The relay include protection for overcurrent, overload, broken conductor, earth-fault and breaker failure as per ANSI. It also feature an automatic recloser, a switch ON to fault, inrush protection and lockout among others. The standard 4U high 19- inch rack mounting modular. The COMBIFLEX family offers adaptable protection solutions for various applications. The proven COMBIFLEX family and modular building. Housed in 4U high, size E8, E10 or E12 cases, these relays provide protection, control, monitoring, instrumentation and metering with integrated input and output logic, data logging & fault reports. Communication access to relay functionality is via a front USB port for local PC connection or rear. WEIDMULLER relay module with 24 V DC control voltage, 4 changeover contacts, and compact design for industrial control and automation applications. This product is already in your quote request list.

Article Content

Protection relays

Numerical relays are based on the use of microprocessors. Numeric relays are programmable. Most numerical relays are also multi-functional.

WEIDMULLER RS 14 24VDC LD 4U RELAY MODULE

The WEIDMULLER RS 14 24VDC LD 4U relay module from the RS series is designed for reliable signal switching and isolation in industrial control and automation systems. With multiple changeover

7SR242 Duobias Catalogue Sheet

Housed in 4U high, size E8, E10 or E12 cases, these relays provide protection, control, monitoring, instrumentation and metering with integrated input and output logic, data logging & fault reports.

Modular relays and accessories

The COMBIFLEX family offers adaptable protection solutions for various applications. Enhance functionalities like lock-out and external contact

M Series Modular Rack Mount Protection Relay Cases

The M Series has been specifically designed to meet the demanding & varied requirements for protection relay applications in power utility sub-station

Protection, Control & Metering

GE Vernova's Protection, Control, and Metering solutions deliver precise, high-performance automation for today's evolving grid. From advanced relays to

Schneider P3 Protection Relay REL52047

Schneider P3 Protection Relay REL52047 universal protection relay, PowerLogic P3U30, 4L ringlug, 4U, 16DI/8DO, Uaux: 48-230V, DI: 24-230V, RS-485
