

Slovakian Fiber Optic Cable Company

Overview

The leading Fiber Optic Cable Manufacturers in Slovakia are listed in this directory. SYLEX specializes in high-quality optical interconnect solutions, including MTP® harnesses and various assemblies, making it a key player in the fiber optic cable market. Their robust engineering and manufacturing capabilities ensure the rapid delivery of both high-volume and custom-tailored fiber. Since 1984, Foss has been a market leader in fiber optic infrastructure, with systems that cover everything from transport networks and residential buildings to data centers, industrial buildings, defense, and offshore. With 250 employees and 7,000m² size of workspace, we serve more than 200 clients around the globe per year. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, view their profiles, and send inquiries. Since 1994, our company is producing wide range of passive fibre optic solutions.
