

Which manufacturer makes the best OPGW optical cable

Overview

Top suppliers of OPGW optical fiber cables include General Cable, Southwire, Belden Inc. These companies are renowned for their engineering expertise, innovative product lines, and commitment to reliable, high-performance solutions in demanding transmission. In an increasingly connected world, OPGW (Optical Ground Wire) cables have emerged as critical enablers of next-generation power infrastructure, combining lightning protection and grounding functionality with high-bandwidth fiber optic communication. For projects in the USA, partnering with established domestic suppliers is essential to achieve quality, durability, and compliance with local standards. Among them, ZTT is the leader with about 20% market share. Asia-Pacific is the largest market, has a share about 60%, followed by Europe and. One prominent name in the OPGW cable industry is Southwire Company, a U. -based manufacturer known for its robust and reliable products.
